Works by Rutherford Artists on Display at NJMC's Flyway Gallery in October

Lyndhurst, NJ – Artwork by members of the Art Association of Rutherford will be on display at the New Jersey Meadowlands Commission's Flyway Gallery during October.

The theme of the exhibit is "nature and environment," and the show runs from Friday, Oct. 2, through Friday, Oct. 30. A reception for the artists is scheduled for 11 a.m. to 2 p.m. on **Saturday, Oct. 10**. The show is free and open to the public from 9 a.m. to 5 p.m. weekdays, and 10 a.m. to 3 p.m. on weekends.

The exhibit, which showcases various media, including watercolor, oils, and photography, also celebrates the Art Association of Rutherford's 62nd anniversary. The NJMC has hosted the Association's annual juried show for several years, and these exhibits have featured first-rate works by artists from the region.

The juried exhibit is the largest annual show for members of the Rutherford association, which includes professionals, hobbyists, and current and former art teachers. Members of the group meet monthly at Rutherford's Borough Hall for lectures, contests and museum excursions.

The NJMC created the Flyway Gallery to help foster the artistic and cultural identity of the Meadowlands District by providing a showcase for local talent. Recent exhibits have featured digital media by Carlstadt's Maria M. Walker, nature paintings by North Bergen resident Lissanne Lake, and a children's art show by members of "Putting the Pieces Together," a Lyndhurst-based group that supports children with autism and other special needs.

The Flyway Gallery is located inside the Meadowlands Environment Center, at DeKorte Park in Lyndhurst. For more information about the exhibit, call the MEC at 201-460-8300. Directions to DeKorte Park are located in the "about us" section of the NJMC's Web site, www.njmeadowlands.gov.
