### ADDENDUM #3

#### REQUEST FOR PROPOSAL:

Development, Installation, and Operation of a Solar Power Facility on  
NJMC Landfill Property ("RFP")

To All Interested Parties:

PLEASE BE ADVISED that the site tour of 1-A Landfill in Kearny, NJ, originally scheduled for Thursday, June 11, 2009, has been canceled due to the probability of inclement weather. **The pre-proposal meeting has NOT been canceled and will take place as scheduled at 1:00 p.m. on Thursday, June 11, 2009, in the New Jersey Meadowlands Commission ("NJMC") building.** This meeting will last approximately one hour.

The NJMC will schedule an additional pre-proposal meeting for the near future that will include a site tour. Participation in-person or by phone at one of the two pre-proposal meetings is required. Interested Parties that wish to modify their response regarding meeting attendance or participation must contact the New Jersey Meadowlands Commission ("NJMC") in advance via email at [solarinfo@njmeadowlands.gov](mailto:solarinfo@njmeadowlands.gov) with correspondence directed to the attention of Adam Levy.

Furthermore, the NJMC hereby extends the time to submit a Notice of Interest, as defined in Section 2.2 of the RFP. The new submission deadline will be the date of the second pre-proposal meeting, which will be supplied in a forthcoming Addendum to this RFP.

This Addendum modifies and clarifies Sections 2.1, 2.2, and 2.6 of the RFP. It is the responsibility of the Interested Party to ensure that all changes are incorporated into the original RFP.

All documents distributed as part of this procurement are available at the public notice section of the NJMC website: <http://www.njmeadowlands.gov/public/notices.html>.
