ADDENDUM #5

REQUEST FOR PROPOSAL: Development, Installation, and Operation of a Solar Power Facility on NJMC Landfill Property (“RFP”)

To All Interested Parties:

PLEASE BE ADVISED that the site tour of 1-A Landfill in Kearny, NJ, originally scheduled for Thursday, June 11, 2009, has been rescheduled for Monday, June 29, 2009 at 1:30 p.m. (rain or shine). At that time, the New Jersey Meadowlands Commission will conduct, in addition to the site tour, a second pre-proposal meeting that will include a short presentation with a question and answer session.

Participation in person or by phone is required for those Interested Parties that did not participate in the June 11, 2009 meeting.

Interested Parties that wish to attend must contact the NJMC in advance via email at solarinfo@njmeadowlands.gov with correspondence directed to the attention of Adam Levy. When responding, please indicate the number of people who will attend from your organization.

Interested Parties that are unable to attend may participate in the pre-proposal meeting by phone. Please contact the NJMC in advance via email at solarinfo@njmeadowlands.gov to provide notice of participation by phone and to obtain call-in information.

Additionally, please be advised of the following three deadline extensions:

The NJMC hereby extends the time to submit a Notice of Interest, as defined in Section 2.2 of the RFP, to Monday, June 29, 2009.

The NJMC hereby extends the scheduled date for issuing the final addendum. The final addendum will be issued no later than Friday, July 31, 2009.

The NJMC hereby extends the final Proposal due date. All Proposals and associated documentation must be received by the NJMC no later than 3:00 p.m. on Monday, August 17, 2009.

This Addendum modifies and clarifies Sections 2.1, 2.2, 2.6 and 2.8 of the RFP. It is the responsibility of the Interested Party to ensure that all changes are incorporated into the original RFP.

The NJMC intends to provide additional information regarding this project to Interested Parties in forthcoming addenda. This information will include recent survey data, minutes from both pre-proposal meetings, and answers to submitted questions.

All documents distributed as part of this procurement are available at the public notice section of the NJMC website: <http://www.njmeadowlands.gov/public/notices.html>. Please note that in response to complaints about the legibility of Exhibit D to the RFP, a higher resolution version has been posted to the website.
